

Challenge: KSAR Challenge Day

Content Kent Search and Rescue holds an annual challenge event. From 2012 we plan to hold dedicated Scout and Guide events for you and your friends. Use some of the skills you've learnt during this badge plus try some new ones.

Activities All sections

- Get together a team of 4 and enter our fun challenge event in Kent.
- Encourage friends and family to come along and support you. There'll be BBQ and refreshments available.
- If this is the last activity you need to complete to finish the Challenge Award, let us know and we'll present you with your badge and certificate at the end of the day.

Equipment Clothes and shoes suitable for outside activities.

Setup None! It's all done for you. Closer to the event we'll send round information to everyone registered for the Search and Rescue badge to ask for interested teams, then all you have to do is email us back.

Background

Search and Rescue activities across the UK are largely carried out by volunteers and their work relies on fundraising for training and equipment. Kent Search and Rescue holds an annual challenge event in early summer open to anyone over the age of 16.

From 2012 we will be holding dedicated Scout and Guide events where participants get to try out SAR skills they've learnt from this badge, plus more, during a day of fun. Teams scoring the most points during the day will even receive a trophy!
